Easily control, automate and simplify your instrument test flow setups in your teaching or research lab with Keysight's Benchvue software applications. Or enable your students to gain exceptional insight into measured signals with Keysight's powerful oscilloscope software.

Now \*Education customers save 35% when purchasing any eligible Hardware and Software together, from an authorized and participating Keysight Distributor.

To qualify, the same number of hardware and software must be purchased (i.e. 1 to 1 match with Hardware and Software).

\*Limited to select products and valid for qualifying education institutions.
